Women have many roles in the bible and in our lives! One of the most important women in your life is your mom! Follow the maze that shows the flow of love from the mom to the child.

Pick a woman who is important to you - your mom, grandma, an aunt, whoever you think of! Then make a list of 4 things that person does for you that are important. Maybe they are things that you don't usually think about! Thank this special lady in your life.

God made lots of amazing women! Pick one woman who is really important to you - maybe your mom, aunt, or grandma. Draw a picture of your special woman doing something for you! Be sure to thank your special lady!

Our mom's are very special in our lives and so are lots of other important women like grandmas, aunties, and neighbors! God made women to help us in lots of ways!
