## Continuing the conversation

This week Pastor CJ is talking about how we have to work at being a good disciple of God. It takes devotion, energy, discipline and effort. Someday, we want God to say to us, "Well done, good and faithful servant," because we have done what He asked and showed others the character of Jesus!

This packet is best suited for our older kids: elementary aged readers and writers

So then, my friends, because of God's great mercy to us I appeal to you: offer yourselves as a living sacrifice to God, dedicated to His service and pleasing to Him. This is the true worship that you should offer.

## What does it mean?

If someone is devoted, it means they show a lot of love and care for someone or something. If we are really devoted to Jesus, we love Him and care about what He cares about.

God wants us to be devoted to Him and to others in our lives. We have to use our hearts, minds and lives to show others what God is like. Draw a picture in the box below of you being a good servant of God!

"Well done, good and faithful servant!"
