

POPCS Launches New Eagle Success Center

Prince of Peace Christian School is proud to announce the launch of its newest signature program, the Eagle Success Center. The Eagle Success Center will officially open on August 16, 2022, the first day of the 2022-2023 school year. The school will begin a remodeling/construction project to house the new 3,500 square foot center on June 1.

The Eagle Success Center will be home to the restructured Academic Support Program (currently known as Eagle's Nest in Lower School, Learning Lab in Middle School, and ASP in Upper School) as well as a new Lower School Gifted and Talented Program.

Kelly Morris
Director

Mrs. Kelly Morris will join the faculty of POPCS and will serve as the Director of the Eagle Success Center. Mrs. Morris has over 21 years of experience in education, most recently serving as the Head of School and Dean of Students at the Heritage School of Texas. She brings with her a passion for working with children with different learning styles and abilities in a Christ-centered environment.

Jeni Stuart
Lead Teacher

Mrs. Jeni Stuart will move into a full-time faculty position and serve as the Lead Teacher for the Gifted and Talented Program. Mrs. Stuart taught in a part-time capacity as our Lower School Spanish teacher this year. She received a Bachelor's Degree in Elementary Education from Texas A&M University, is a member of the Texas Association for the Gifted and Talented, and is a member of the National Association for Gifted Children.

PRINCE *of* PEACE

EAGLE SUCCESS CENTER

The vision of the Eagle Success Center is to meet each student's diverse academic needs through a proactive investment in assessing individual learning profiles.

ESC ACADEMIC SUPPORT PROGRAM

The Eagle Success Center's Academic Support Program is designed to support students with diagnosed learning differences. The Academic Support Program will support students with average to above average intelligence who have diagnosed learning differences such as dyslexia, expressive and receptive language disorders, dysgraphia, dyscalculia and ADHD. The new program will provide continuous and seamless support for students from Grades K - 12.

ESC GIFTED AND TALENTED PROGRAM

The Eagle Success Center's Gifted and Talented Program will offer enrichment opportunities that encourage discovery and exploration to small groups of identified students in Grades 1-5. Students will be challenged to explore personal curiosity and passion in a variety of interactive learning methods.
