

RIDGE TRAIL DAY

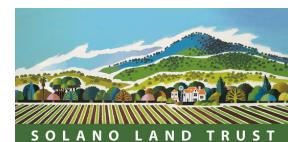

NOVEMBER 3 | 8:30 AM - 3 PM

WETLANDS RESTORATION PROJECT

City of American Canyon and the Solano Land Trust are working to restore the wetlands at Newell Open Space & Lynch Canyon, and we need your help!

Activities will include installing a fence around the mitigation pond to restrict cattle access and planting native seed species in order to restore the functionality of a Seasonal Wetland for California Red-legged Frog habitat.

Volunteers of all ages are welcome. Minors must be accompanied by a legal guardian. A signed liability waiver is required. Register online at <https://bit.ly/2Eyemp3>. Lunch will be provided for volunteers.

MEET AT THE LYNCH CANYON TRAIL HEAD PARKING LOT
