

My name is Peter Partum. As a member in good standing, I am submitting my candidacy for a position of a Board Member at the Polish - American Club of Miami (PACOM).

I was born in Warsaw, Poland and have emigrated to US in 1976. Starting from that year, I have attended various events which took place at the PACOM, including dance / singing troupe Mazowsze which visited from Poland and also numerous Christmas and Easter holiday celebrations. Due to my Polish background, the very existence of the Club is always very close to my heart.

As a new member of the Board, due to my extensive professional work experience in various fields, I will be able to offer and contribute greatly for the benefit of PACOM.

IT / TELECOMMUNICATIONS Systems Engineer / Technician with over 40 years of full spectrum IT and technology experience; U.S. Military, Aerospace, R&D, manufacturing, testing and on-site Operations:

US Air Force (1980 – 1984) – radar technician. TRANSCO CORPORATION, Marina Del-Ray, WAVECOM (1984 – 2019). LORAL CORPORATION. Northridge, California (microwave switch design).
