

NORTHERN TERMINUS TRAFFIC STUDY

COMMUNITY MEETINGS

The Illinois Department of Transportation and the Chicago Department of Transportation are holding two Community Meetings for the [Northern Terminus Traffic Study \(NTTS\)](#) on October 30th and November 2nd. The purpose of the NTTS is to address the transportation issues along Sheridan Road, Broadway, Ridge Avenue, Bryn Mawr Avenue, and Hollywood Avenue approaching the northern terminus of North Lake Shore Drive (NLSD) at Hollywood Avenue. This study is complementary to the [Phase I Study of NLSD](#) from Grand Avenue to Hollywood Avenue.

Since the initial NTTS Community Meeting in 2017, the project team has established goals and objectives for the Study based on community input and technical analysis. The project team has also developed finalist alternatives for the [study area](#) to be analyzed further.

Please join us for one of the upcoming Community Meetings to review the finalist alternatives and provide your input. Both meetings will feature identical presentations and workshops. On November 2nd, the Community Meeting will also include an optional walkshop at 9 a.m. prior to the meeting. **Due to space limitations, you must [RSVP](#) if you wish to participate in the walkshop (registration is on a first come, first served basis).**

Broadway Armory
5917 N. Broadway Street
Chicago, IL 60660
Wednesday, October 30, 2019
Presentation: 7 p.m.
Workshop: 8 p.m. – 9 p.m.

St. Andrew Greek Orthodox Church
5649 N. Sheridan Road
Chicago, IL 60660
Saturday, November 2, 2019
