Team Johnson believes in community, and is a member of over 30 local organizations. We want to invite all our group members to have the first opportunity to tour and ride in the new bus. If you are a member of one of our groups, you are cordially invited to be the first customers (70 tickets available) for a FREE RIDE in the mega lounge.

Team Johnson is committed to "Making Toledo Great Again", by providing unique entertainment and safe transportation options. There are so many options and ideas, both to the public and corporate business entities. This is your chance to partner with us to support other small businesses and boost our local economy!

Please call 419-392-8416 with your name and Organization to be included, and a ticket/space will be held for you.

Spots are limited and will be on a reserved basis only, so call us today!

We are also seeking advice from any of group members on marketing strategies, business contacts, and sharing on your social media sites to help make this a success.

THANK YOU MEMBERS AND NW OHIO FOR YOUR CONTINUED SUPPORT!

TEAM JOHNSON IS EXCITED TO INTRODUCE THE NEXT ONE-OF-A-KIND, CUSTOM BUILT DOUBLE DECKER LIMO BUS FROM CALIFORNIA! ARRIVING TO SERVE TOLEDO & NW OHIO IN SEPTEMBER 2018!

A double-decker bus which will accommodate up to 70 passengers. Special features include open air windows on both levels, bathroom, custom built bar which can supply your own private bartender(s), and cocktail waitresses on both levels.

Bar can also be utilized on the outside to be a perfect tailgating machine!

An articulated bus which has two sections for entertaining. There are many transitions planned for when the vehicle arrives, including utilizing the separate spaces to accommodate both adults and children. The rear cab will be transformed into a "gaming trailer",

featuring multiple TV screens and video game options & seating. This allows families who have trouble finding babysitting service to enjoy adult time while kids have their own entertaining experience! Other ideas for the articulated portion of the bus include hair/make up stations for weddings, and looking for other suggestions!
