

LATHROP STAFF PROMOTION

Dylan Orwig

Business Development Engineer

Lathrop is pleased to announce the promotion of Dylan Orwig to Business Development Engineer!

Over the 4 years that Dylan has been with Lathrop he has held positions as project engineer, cost engineer and most recently project manager. He serves on many local community boards and committees including Chairman of the Construction Leadership Council, United Way of Greater Toledo, Associated General Contractors, Toledo Regional Chamber of Commerce, EPIC and Ducks Unlimited.

His knowledge of building and construction and his commitment to community involvement make him the ideal candidate to be the Business Development Engineer.

CONGRATULATIONS DYLAN! WELL DESERVED!
