2 Truths & a Lie Answer Key

Ms. Goldstein was in fact born at 12:13 on 12/13. She did spend 3 weeks on boats in New Zealand studying dolphins. Ms. Goldstein studied abroad on the South Island while in college, and they were studying pod behavior of dusky dolphins. She did not go on a shark dive in the Bahamas. She was scheduled to go on a shark dive, but got hurt the day before the dive and had to cancel it. She has seen sharks while diving, though!
