

Seeking Youth Advisory Board Members

Building on the successes of the inaugural Juno4Me Youth Ambassador program, we are launching a statewide initiative bringing healthcare providers, community members, state agencies, reproductive health experts, and funders together to advance [reproductive health equity in Illinois](#). Juno4Me is recruiting individuals who are curious thinkers and passionate youth leaders to be the voices of youth in Chicago and attribute to the initiative as a youth advisory board member.

REQUIREMENTS

- 17- 24 years old
- Live in the Chicagoland area
- Social Media Guru
- Interest in advancing reproductive health access & equity (ex. Birth control access, reproductive justice)
- Wifi, computer, and/or smartphone access
- Commit 2-3 hours/week

EXPECTATIONS

- Commit to a one-year youth advisory board
- Attend and actively participate in monthly meetings
- Attend quarterly Community Advisory Board meetings
- Inform decision making related to ICAN such as 1) reviewing messaging and trainings 2) using social media and other outlets to educate peers and community and 3) reviewing policy expanding access and coverage for contraceptive care
- Develop one project increasing awareness of ICAN and education on reproductive health among your peers and community, ages 17 – 24
- Identify & engage with one community organizations that aligns with ICAN

BENEFITS

- Meet like-minded young leaders & network with professionals in the reproductive health field.
- Inform a state-wide initiative that would improve access and care for those receiving reproductive health care
- Learn about reproductive health, health equity and become an informed leader on related topics
- Professional Development
- Quarterly honorarium \$\$\$
