

Jameson's and our staff are excited to welcome back our customers for outdoor dining! Per Governor Pritzker's order, our patio will be open for outdoor seating beginning Friday May 29th weather permitting. While the patio will be open, we will continue to offer curbside pickup. For the time being we will be offering the same limited menu, with hopes to expand soon.

We want our customers to know we are taking all precautions necessary to provide a comfortable and safe environment for them as well as our staff. All tables on the patio are spaced six feet apart and will be cleaned and disinfected between each guest. Jameson's has always held our staff to the highest standard and we will continue to do so. In addition to spacing of tables, all of our staff will be wearing masks. We've also implemented additional cleaning and sanitation guidelines that we've trained all of our staff on.

In an effort to continue to social distance, capacity is limited for seating. That being said, we will be limiting table times to an hour and fifteen minutes. This allows for more of our customers to enjoy the patio as well as extra time for cleaning and sanitation. We do recommend reservations be made, as space is limited. However, we will be accepting walk-ins based on table availability. Party size will be limited to no more than six people. We would also like for our customers to keep in mind that they are not allowed to wait in our lobby like usual. Instead we are asking that you give us a call or wait outside until one of our staff members comes to escort you to your table. Per the governor's guidelines we are also asking our customers to wear face coverings over their nose and mouth while on premises, except while eating or drinking at the table (exceptions can be made for people with medical conditions or disabilities that prevent them from safely wearing a face covering). We are also asking our guests to do their best to maintain a safe social distance from others.

We appreciate your patience and understanding during this time. This is new for all of us! Jameson's staff can't wait to see you and be able to serve you again!

To make a reservation or place a curbside pickup order,

Please give us a call at 847-515-7675
