

Dear Sun City Resident,

For the past 23 years, Northwestern Medicine has been honored to care for patients in Sun City. As we continue to monitor the health and wellness needs of our growing community, we are happy to welcome new care team members and new resources.

Beginning August 7, the Northwestern Medicine Wellness Center at Sun City is changing its Nurse Practitioner Clinic schedule.

- The Nurse Practitioner Clinic will be open **Mondays, Tuesdays and Wednesdays**.
- The clinic will be open for appointments from 8:00 am to 4:30 pm.
- A nurse practitioner will care for patients with common illnesses, infections and minor injuries.
- **The clinic is open to all Sun City residents.** Your primary care physician does not have to be part of Northwestern Medicine.

We continue to offer other services at Sun City. You have access to the following on Monday through Friday during their normal clinic hours:

- Wellness Center, 8:00 am to 4:30 pm
- Outpatient Lab, 8:00 am to 2:30 pm
- Physical Therapy, 8:00 am to 4:30 pm

We look forward to continuing to support and enhance your active lifestyle. We want to help you be as healthy as possible so you can enjoy the best possible quality of life.

If you have any questions, or to schedule an appointment, please call 847.515.2078.

Sincerely,

The Northwestern Medicine Wellness Center Team
