

Residential Parkway Tree Replacement Program

If you wish to plant a parkway tree, you are eligible to participate in one of the Village's Residential Parkway Tree Programs:

1. **Parkway Tree Replacement Program:** If you are interested in ordering a parkway tree directly from the Village (and we will handle the rest), simply complete the Residential Parkway Tree Replacement Program Order Form, include your payment in full (checks only) and return everything to the address listed below. Orders will be accepted until quantities run out. Trees come with a one-year guarantee.

Weather permitting, it is anticipated that the trees will be planted in the Spring (April or early May) and in the Fall (October). You will receive a notification prior to the installation of your new tree.

The types of trees offered and the cost to the homeowner is identified on the order form. Please note that there is a limited amount of each tree offered so orders will be filled on a first-come, first-served basis while supplies last. We ask that you also list your 1st and 2nd choices. Please read through the general information and indicate your choice(s) of tree for your parkway. Once the tree is planted, it becomes your responsibility as the property owner to maintain the tree.

General Information:

- All trees will generally be 2"-2.5" inches in caliper and approximately 12 to 14 feet tall with several varieties.
- Orders will be taken on a first-come, first-served basis until funds are depleted (when funds run out you will be notified and orders/checks will be returned).
- The location of the tree to be planted is solely at the discretion of the Village of Huntley.
- Healthy and thriving parkway trees, as determined by the Village, will not be permitted for removal unless authorized by the Village and therefore, will not be considered in this Program.
- The Village of Huntley will not be responsible for the replacement or maintenance of the following but not limited to: existing landscaping, mulch, annual/perennial plantings, stone or other enhancements in the area, edging, etc. so please have the parkway clear of items.
- Watering and maintenance of the new tree is the responsibility of the property owner.
- Orders will not be processed unless payment is received in full with this order form. Please make check payable to the ***Village of Huntley.***
- Orders will be accepted in person, dropped in either payment drop box, or via U.S. Mail at:

Village of Huntley
Tree Replacement Program
10987 Main Street
