

THINK SPRING!

It's that time once again for any eager new gardeners to sign-up for space in our Community Gardens. 2023 is proving to be as popular as the 2022 season and we do currently have a waitlist. Send in this form to hop in line! Payment will be due if/when you are assigned a plot. All waiting gardeners will be contacted the week of April 3rd to inform you if enough plots have become available. Any waiting gardeners who do not get the opportunity this season, will remain on the waitlist for the next season.

All of the garden plots are the same size— 10' x 30' (approx.). The gardens are located on Brier Hill Road, just north of Clanyard Road. It is a beautiful location and includes a paved parking area, two storage sheds, wheelbarrows, waste bins, hose bibs and hoses for each aisle. Weather permitting, the gardens will open mid-May and will stay open through mid to late October.

Raised beds are permitted but the design must be approved before installing. These gardeners would be responsible for establishing...purchase, installing, soil, rototilling...etc. and maintaining the beds.

WILL THIS BE A RAISED BED? YES NO

If yes, pls include a description of the design including materials and measurements.
