These doors will close at 8:45am and will close for regular access when the Prairie Lodge opens at 9am, at which point, access will continue at either the Fountain View or Member Services entrances.

**(NEW) COATS/BOOTS/LOCKERS/LOCKER ROOMS**

Please use the coat racks and boot trays outside the locker areas for your winter apparel. You will now enter the pool from your respective locker room. Socially distanced lockers and benches will be made available during your time slot. Please always wear masks in the locker rooms. Showers will not be available. You must still exit the locker room by the end of your 60-minute pool reservation time, as we cannot change our housekeeping schedule. If you need additional time changing, please allow for extra time within your time slot.

**(NEW) WATER EXERCISE**

There will be a water exercise class from 10:50-11:35am (45 min). Reservations are required. Drop in passes are not currently available for use at this time. Participants who need additional time changing should do so within the class time. All participants must exit the locker rooms by 11:45am. Masks are required on the pool deck and in the locker rooms. The class will take the 3 lanes closest to the ramp. 3 lanes/6 time slots will be set aside on the other side of the pool for water walking/lap swimming. All lanes must be shared.

**The Indoor Track will open at 6:30am for walking. Please enter at the fitness doors also.**
