July 11, 2020

August 8, 2020

September 12, 2020

Going the (social) distance!

What is a Virtual Walk? A virtual walk is an event that can be walked from any location you choose. You can walk, jog or even run on the sidewalks or on the trail. You get to start whenever you choose, walk/run at your own pace, time it yourself, and most importantly, **maintain social distance of 6 feet or more.**

How will we do this? We have scheduled four dates to complete one, two or as many as all four walks. All participants will receive a 2020 Social Distancing Fun Walk T-shirt, sure to be a collector's item! Staff will be on hand on Virtual Walk Days with spontaneous activities throughout the community (details to come.) All we ask is that you upload a photo of you walking in your T-shirt on each date to our facebook Events page (optional, but that makes it more interactive and fun!)

The Neighborhood Challenge is ON! All neighborhoods that get 10% participation will receive a \$50 Walmart Gift Card good for your next meeting or party! *Let's make every neighborhood a winner!*

Registration is OPEN! Please sign up online before June 5th to be guaranteed your T shirt by June 13th. Online registration will be kept open through June 30th.

T shirt pickup will be at the FV Pavilion on Friday June 12th from 9am-3pm, and will follow all precautionary guidelines necessary such as masks and 6-foot distancing (instructions to follow). We will print additional T shirts when and if additional orders are received.

Coming Soon—watch for details on our fundraising efforts for First Responders!

FSE235 \$10 ONLINE REGISTRATION ONLY!!!
