

# SUN CITY HUNTLEY HAS HEART

What can each of us do to shine a little hope and help for those less fortunate during this time? In addition to the “usual” suggestions, your Association is excited to announce we have started a Go Fund Me page called “Sun City Huntley Has Heart” Read on to see how YOU can make a difference!

**Visit [www.Gofundme.com](http://www.Gofundme.com) and search  
Sun City Huntley Has Heart**

**Did you know—** With every dollar donated, the Grafton Food Pantry has the buying power of \$8 at the Northern Illinois Food Bank!

**Consider this—**If every resident in Sun City Huntley **donated just \$1**, our community could raise nearly \$10,000. What that means to the Grafton Food Pantry? They would have \$80,000 of buying power. **WOW! What a difference that would make!**

**We've set a goal of \$5,000 - wouldn't it be great if we reached \$10,000?**

## Additional Suggestions:

- ◆ **Gas Cards:** A gas card for even \$10 would buy a few gallons these days!
- ◆ **Gift cards:** During this time, not only will you be helping recipients, area stores and restaurants, such a Jameson's will also benefit.
- ◆ **Spring Clean Drive:** Donate any kind of cleaning supplies, paper towels, detergent, dish soap, etc.
