What is poster protect?

When purchasing your all-in-one 2025 California and Federal Labor Law poster, select the option that includes poster protect coverage. If a mandatory update is issued during 2025, you'll automatically receive a replacement poster at no additional cost.

Required Notices Kit

In one convenient kit you get a 28" x 46" all-in-one poster with the 18 state and federal notices that California employers must post, plus 20 each of the six required pamphlets to hand out to employees.
