### Coronavirus Update: Telebriefing for Museums, Zoom and Aquariums **Public Health Officials Provide Update on Novel Coronavirus (COVID-19)**

Last week, the State lifted the Regional Stay Home Order and moved all counties back into the Blueprint for a Safer Economy color-coded tiers. Los Angeles County, along with the majority of the State, is in the most restrictive purple tier. A new Health Officer Order was issued on January 29<sup>th</sup> for L.A. County, A Blueprint for a Safer Economy – Tier 1 Surge Response. The County also continues its vaccination efforts; vaccinations are currently available by appointment for those in phase 1A, which is front-line health care workers, and county residents aged 65 years and older. Public Health will conduct a telebriefing to update you on the latest COVID-19 response, go through the new Health Officer Order, and answer your questions and listen to your feedback.
