**Re: 2024 Older American Award**

Dear President or Volunteer Coordinator,

The City of Torrance Commission on Aging is now accepting applications for the Annual Older American Award. Torrance is privileged to have so many seniors who volunteer in our community. This award is to acknowledge and honor them for their dedicated service. One hundred seniors have been honored over the past forty years.

Many organizations, such as yours, rely on the contributions of volunteers. They are the backbone of any successful organization. Does your organization have a senior volunteer deserving of this distinction? If so, please take a minute to complete the attached application. The nominee must be at least 55 years old and be a Torrance resident (zip code 90502 not eligible). Please include a photo of your nominee. The form can also be accessed on the City of Torrance Senior Centers and Program website at [www.TorranceCA.Gov/our-city/recreation/seniors](http://www.TorranceCA.Gov/our-city/recreation/seniors).

Recipients of the 2024 City of Torrance Older American Award will be recognized at a City Council meeting in May. Staff will contact the recipient in early April regarding the date and any additional information.

**Please submit your application and photo by Thursday, March 21, 2024.**

Thank you in advance for nominating a deserving senior volunteer for the 2024 Older American Award.

Please contact Jesus Castro if you have any questions.

Please return completed application and photo to:
