

# Let's Celebrate!

Let's take a moment to celebrate all that we accomplished together last week. It truly was a **week of ministry in action and community in motion.**

**Together, we:**

- **Collected and delivered 1,098 pounds of food** to Nourish Up, extending compassion and nourishment to our neighbors.
- **Hosted the first Church After Hours Social in Heaton Hall in years**, with 60 people in joyful attendance.
- **Welcomed 350 guests for the first rental event** since Joe completed the Heaton Hall upgrades—a wonderful testament to how our space serves the wider community.
- **Received our first reimbursement from the security grant**, ensuring continued safety and stewardship of our campus.
- **Ministered to 165 individuals through a funeral service for a non-member**, an outreach that touched hearts and brought deep appreciation from those who attended.
- **Continued our campus improvements**, including tree removal and painting the trim on the Educational Building, enhancing both beauty and safety.
- **Gathered 30 participants for our Sage-ing Lunch**, strengthening fellowship and wisdom-sharing among our seniors.
- **Prepared for today's congregational meeting** by creating and printing materials to support our shared work and vision.

And we know there is even more that isn't listed here, **each act of service, large and small, matters deeply.**
