

What can we do about bias? A lot.

Discovery Place Science is proud to host the exhibition and community engagement project, *The Bias Inside Us* from the Smithsonian—in Charlotte for a limited run. As a valued partner of Discovery Place, you are invited to bring a group to experience the exhibition and host your own facilitated follow-up conversation in Windows on Tryon, a conference room next to the exhibition.

Who: Groups of adults and middle/high school students

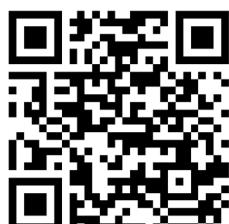

What: Experience includes *The Bias Inside Us* exhibition plus a reservation in Windows on Tryon for follow-up discussion. Questions will be provided, and your group will need to identify a facilitator. If you need additional support for the follow-up reflection, please reach out to CBI at cbi@cbicharlotte.org.

Where: *The Bias Inside Us* exhibition plus a reservation in Windows on Tryon for follow-up discussion at Discovery Place Science.

When: Any day between March 11th and April 9th.

Why: Bias is part of being human, but we need to talk about it.

How: Fill out the form using this [link](#) to let us know the dates that you would like to bring your group. A Discovery Place associate will reach out to confirm dates and arrange payment.

Pricing *

Student Groups: \$11 for students, 1 chaperone free with every 10 students, additional chaperones \$11; includes Discovery Place Science admission.

Adult Groups: \$18 per person; includes Discovery Place Science admission.
