Your Voice Matters! **Myers Park Baptist Church Congregational Survey**

Your Transition Team and Senior Minister Search Committee are preparing a Church Profile and Senior Minister Profile for the Senior Minister job search. Key components of the profiles are:

- 1) The current demographics of the church.
- 2) The congregation's view of the areas of focus that can sustain and grow the church in the future while staying aligned with our Mission Statement.
- 3) The leadership tasks needed of a Senior Minister for the church to thrive and grow.
- 4) The Senior Minister qualities, skills and experiences that align with our agreed upon future areas of focus and Senior Minister tasks.

To gather this important information from the congregation, the Transition Team and the Senior Minister Search Committee have developed a church survey that should not take more than 10 minutes to complete. We would like to hear from every member of the congregation. **YOUR VOICE MATTERS!**

An online survey and instructions will be emailed to every member of the church with an email address on file on Sunday, February 22. Members without an email address on file will be mailed a paper survey that will need to be returned to the church office. We prefer electronic survey responses for ease of tabulation and reporting. If you have an email address on file and do not see the survey announcement in your primary inbox, please check your spam folder. Members who share an email address can each complete the survey via the link. If you are unable to respond electronically, a paper copy of the survey will be provided by calling the church office. Survey support will be available after worship on March 1 and March 8 in Heaton Hall.

Survey responses will be open from February 22 until 11:59 p.m. on March 8. We will not be able to process online or paper surveys after the end date.

We need to hear from all members of the church. If you have any problems with completing the survey, please reach out to:
