**<https://boardandbrush.com/norwalk/events/notredamehighschoolfairfieldhomekits/>**

**Access Code: Fairfield**

We appreciate your interest in our cause, 20% of all proceeds will go towards the Notre Dame High School Fairfield! Select a wood project from our gallery. Looking for a fun DIY kit to do at home? Our @Home Kits using BYOPaint\* are the perfect option for you! First, select a design from a wide variety of options! All of our @Home Kits include a design stencil, prestained wood board, foam paint brushes, plastic paint cups, sandpaper, cloth, a color mixing guide, and instructions. Everything you need for a beautiful sign for your home. Delivery or curbside pickup is available. \*BYOP - Bring Your Own Paint is Board & Brush's way of helping the environment by using leftover paint and keeping our customer's families safe by not repackaging dangerous materials\*\*! \*\*The Federal Hazardous Substances Act requires individual containers of paint (a "hazardous substance") to be properly labeled to warn customers of safety hazards. The Poison Prevention Packaging Act, also requires hazardous substances to be packaged in child-resistant packaging to prevent children under five years old from opening them. Please use extreme caution when buying kits from other companies that have repackaged paint and stain.
