

LANCER PRIDE

Ryan Hardy '04 established a scholarship this year at ND in honor of his mentor, **John (Jay) Reidy P'96,'98**. Mr. Reidy served as a teacher for 46 years at the school and as Dean of Students for 14 years. He also coached 42 seasons of sports! Ryan created the scholarship in recognition of and gratitude for the impact Mr. Reidy had on his life. Ryan also wanted to pay it forward and help students in need. In addition to receiving financial support, the recipients will also partner with Ryan on a year-long service project to make a positive impact in the community. Pictured here are Mr. Reidy and his wife, Mary Jane, as they were presented with the news of this honor along with some ND gear.

We are so grateful to each member of our community who participated in this year's Giving Tree Drive. Like everything else, this year's fundraiser had to be done in a different way but we succeeded! We were able to send over 125 presents to families in need. Through your generosity, we spread Christmas joy to so many hearts. Thank you, Lancers!

Sam Sciaudone '21 was spotted out in the community volunteering his time by helping to encourage donations for the Salvation Army. We are proud of Sam, who spends many hours living the ND mission of service for others.

Christopher Adino-Mateo '22 was selected as the inaugural recipient of the Tony DiMatteo Scholarship at ND. Christopher was notified of the award at his home, which allowed his mother to share in this wonderful surprise with him. Christopher and his mother are so grateful to the DiMatteo Family Foundation for their generous \$2,500 donation toward ND tuition.
