The 22nd Annual Lancer Open in memory of Bob Shea was held on Monday, May 23rd under beautiful, sunny skies. The event raised over \$35,000, which will support the academic growth of our students. We are grateful to the members of our Lancer Community who helped to ensure its success. Congratulations to the winning team, **Ciaran O'Donnell 'o8, BJ Hyvarinen, Doug Croteau, and Tom Gammel**. After a 2-year hiatus due to COVID, we were so very happy to bring Garlic Fest back to the Notre Dame Community. With carnival rides, live music, food trucks, and bingo, this was truly a weekend to remember! Thank you to our donors and everyone who volunteered to make this year's Garlic Fest a success!

The Senior-Junior prom, "Out of This World" was held on May 25th at the Waterview in Monroe. A great time was had by all and everyone looked wonderful!

Father Balan, Notre Dame's Chaplain, led our annual spring Grandparents Mass on May 11th. Following our celebration of the Eucharist, family members gathered in the cafeteria for refreshments. Thank you to everyone who attended our service. Click [here](#) for more pictures.

Congratulations to **Olivia Augustine '22** who received the St. Augustine medal from the Diocese of Bridgeport. Olivia is a great example of character, faith and intellect. She will be attending Salve Regina University in the fall and has been accepted into their Honors Program.

The Sophomore retreat took place on May 11th at Assumption Parish in Fairfield. The theme was "Who Am I?". Sophomores were joined by speaker, Paola Peña, who shared details from her life and why faith and God are so important. Through small reflection groups, attendees discussed the significant events in their own lives that have contributed to who they are as people. Students also attended Mass and completed a service project.
