# always a LANCER

In gratitude and appreciation to every person and organization that supported the Notre Dame community during our 2020 fiscal year. Whether you contributed to Walk-a-Thon, the ND Annual Fund, Fr. Bill Sangiovanni's Scholarship, or the Lancer Golf Tournament, you helped to ensure that our students are offered the best educational experience possible. As we move through these challenging times, we are reminded often of the incredible importance of community, kindness and respect. Thank you for supporting Notre Dame's mission to educate young people who are grounded in values, faith and care for others. We truly couldn't do it without you!

Alumni Relations is creating a **Notre Dame Business Directory** to offer our families an opportunity to support each other in business and professional endeavors. The strength of Notre Dame has always been driven by our strong and vibrant community. Especially during this time, we want to give our community the chance to work with ND family-owned businesses. Information submitted will be shared on our website in the upcoming weeks. The listing is FREE for ND alumni, alumni parents, and current families. Submit your information here to be included. Contact tmarzik@notredame.org with questions.
