

LATEST IN THE CLASSROOM

ND's annual Passion Day took place on May 25th. Passion Day offers students the opportunity to participate in sessions focused upon topics about which staff are especially passionate. **Mrs. Strausser's** group painted Kindness Rocks for the ND walkway and loved ones while **Madame Zac** and **Señora Guarino's** group painted a mural of the Ukrainian flag. Some of the other workshops included guitar and bass, yoga and Pilates, meditation, reading rooms, Ultimate Frisbee and calligraphy. It was a great day for all!

French IV-AP senior students proudly showed off their college acceptances today with their Final French Projects -- TRIFOLDS -- each showcasing where they will attend next year. *Félicitations et Bonne Chance!* **Renna Badolato, Laura Weiss, Bryan Santos, Kaylee Daniele, Vivian Chavez** (missing from photo: **Jayda Hume, Crystal Jackson, Maureen Andre**).

Students from **Mrs. Cipriano's** English I class debuted their original children's stories for the students of Mrs. Giordano's kindergarten class at St. Andrew Academy. The authors wrote, illustrated, and performed these stories with themes of Acceptance, Confidence, Bravery, and Friendship.

The Sculpture Studio created these beautiful Van Gogh Inspired pieces by painting a background using bright acrylics, hand sculpting flowers and leaves, painting them and gluing them to the backgrounds.
