

LANCER PRIDE

Notre Dame is excited to announce that **Brian Kriftcher** has been named the new Head Boys' Basketball Coach. Coach K has been the head coach at Trinity Catholic High School the past two years. Before being named the head coach at Trinity Catholic in 2018, Coach K was the associate head coach at Trinity serving under long time head coach Mike Walsh. He also served as head coach at St. Luke's in New Canaan from 2010-2014. Coach is the founder and president of the Stamford Peace Youth Foundation. Welcome to ND!

With so many local Memorial Day celebrations cancelled, **Jennifer Costa '21** and her neighbors decided to organize a car parade in their town to honor the vets who have made the ultimate sacrifice for our freedom.

Congratulations to **Aaron Martino '20** who was selected as a Channel 12 Scholar Athlete of the Week and won the Hobey Baker award for Boys hockey at ND. Aaron was also recognized for the Connecticut High School Coaches Association (CHSCA) boys hockey all-state teams for 2019-2020: Division I First team Defensemen and The New Haven Register's All-Area Hockey team. He is headed to Sacred Heart University this Fall.

Mia Ribellino '21 is an active member of the Notre Dame community as well as an active volunteer in her hometown. Mia recently was asked to assist as a Rank member of the Public Safety Cadets in a town wide food collection in Norwalk, CT. She helped to organize the effort and delivered food to over 2,000 cars in one day. Great job, Mia!
