

ALWAYS A LANCER

Members of Notre Dame's **Class of 1979** and friends raised close to \$900 which was used to purchased just over 160 lunch and dinners for eight different departments on the frontlines at St Vincent's Medical Center and Bridgeport Hospital. Fortuna's Catering of Bridgeport matched every meal purchased. **Lisa (Bedini) Olson '79** organized the collection which supported classmates who work at the area hospitals.

During the month of May, Notre Dame sponsored two **Drive Thru Food Drive** collections. The first event benefited the Blessed Sacrament Food Panty in Bridgeport. The second food collection was delivered to Sr. Theresa Tremblay, Daughters of Charity in Bridgeport. Thank you to everyone for helping those in the local community.

Thank you Lancers! We are grateful to you for supporting Notre Dame's #GivingTuesdayNow campaign. Because of you, we have raised over \$15,000 to underwrite the continued good work of the **Always a Lancer Fund**.
