Although this year's Cycle for Survival ride was canceled because of the current health crisis, Notre Dame is proud that the 8 person alumni team surpassed their \$2,000 goal and raised a total of \$2,340 toward beating rare cancers. 100% of every dollar raised funds innovative studies and clinical trials led by Memorial Sloan Kettering Cancer Center (MSK). Thank you to each of our participants who supported the ND Alumni Lancer Team: **Jaclyn Calovine '05**, **Katie Makara '06**, **Jessica Marzik '06**, **Stacy Marzik '04**, **Theresa Marzik '79**, **Eleni Stefanatos '10**, **Becky Stefanatos '15**, and **Teale Stevens-Rode '79**.
