

May 1, 2020

Dear Parent or Guardian:

You are receiving this letter because your son or daughter has been invited to take a UConn ECE course next year.

**What is UConn Early College Experience?**

UConn Early College Experience (ECE) is a concurrent enrollment program that allows students to take UConn courses while still in high school. Students can earn both high school and college credits for any ECE course that they choose to take as long as they maintain a **C average**.

Courses taken through UConn Early College Experience are equivalent to the courses offered on any of the University of Connecticut campuses. Courses are taught on the high school campus by high school instructors who have been certified as adjunct faculty members by the University of Connecticut. High school students follow the curriculum and grading rubric that has been designed by UConn. UConn ECE students benefit by taking college courses in a familiar setting with an instructor they know.

**Notre Dame High School UConn ECE Courses for the 2020-2021 Academic Year:**

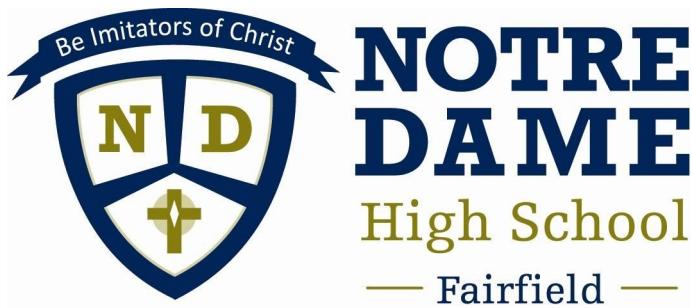

**ENG 4 UC Seminar in Academic Writing - 4 credits, Instructor M. Sulzycki**  
**APSPAN 4/5 Intermediate Spanish Composition - 3 credits, Instructor M. Guarino**

**Can I transfer my ECE credits to other colleges?**

Your son or daughter does not need to attend UConn in order to use the college credits he/she earns while in high school. College credits earned through the UConn ECE are accepted by many colleges and universities across the country. The UConn ECE website features a **credit transfer database** that lets you explore the likelihood of credits transferring to a school of their choice.

**How do the ECE credits transfer from UConn to another college?**

Your child will need to go through a regular transcript request and credit transfer process at his/her chosen college for credits to be transferred from UConn to another college. There is information available at <http://ece.uconn.edu/research/> regarding credit transfer instructions. Individual colleges may differ, but generally one should request a

transcript from UConn via the UConn ECE website, and the transcript will be printed and mailed to your child and/or their chosen college.

**How is billing handled?** Billing is handled directly by UCONN via their Student Administration System. Fees will be collected through UConn in the fall of 2020. You must pay directly to UConn not Notre Dame High School.

**Applications: Accepted April 30, 2020 - June 30, 2020**

- **English 4 UC**      **\$200.00 (Eng 1010)**
- **AP Spanish 4/5**      **\$150.00 (Span 3178)**

Students will receive an email from UConn with specific instructions on the registration process in their Notre Dame email. I will also be available to answer any questions via email and through my Google Classroom Page, UConn Early College Experience Class. The class code is: kzyk6tb.

Please don't hesitate to contact me if you have any questions.

Regards,

*Lisa Seperack*
