

## **Footloose Schedule Adjustments**

We have not had one rehearsal yet (dance or blocking) where all the people that were called were present. "Making it up" often requires bringing in ALL the other cast members that are in that scene in order to "put in" the absentee, and that is not fair to them. Between snow, banquets, senior trip, and absences, it is really imperative that you come to your scheduled rehearsal. Unless you are sick, last minute absences are unacceptable - and Maria, Ms.Hong, and Mr. Chuba ALL need to be notified.

Here is an updated rehearsal - PLEASE LOOK OVER CLOSELY.
