

LIVING THE LANCER LIFE

Matt Magliocco '08 has built a home at Sacred Heart University. After graduating from Notre Dame, Matt earned both his undergraduate and master's degrees from SHU, first in marketing and then in digital marketing. In 2012, Matt joined the Office of Financial Aid as an Assistant Director, and after receiving his master's in 2014, was promoted to Senior Associate Director. In his current role as the Director of Financial Aid, Matt and his team oversee all of the undergraduate recruitment and retention efforts at Sacred Heart.

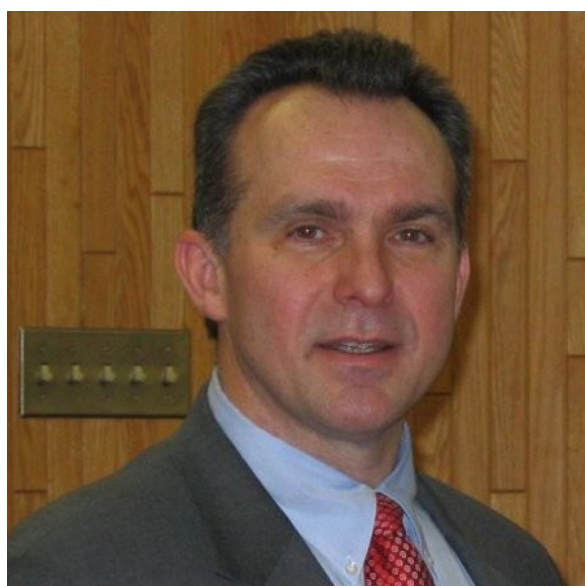

Since Matt is just a short distance from Notre Dame, his role often connects him to his alma mater. "Thanks to the partnership between Sacred Heart and Notre Dame, I work with quite a few students from ND", Matt commented. "I love when I get to see my fellow Lancers. I always try to connect with them on some level."

Thank you, Matt, for all you do to support the students at Sacred Heart University. They are lucky to have someone as dedicated as you. Keep making us proud!

Amanda McGeehan '19, of the Albertus Magnus College women's soccer team, was recently named to the 2022 Academic All-District Women's Soccer Team! Students from across the country are selected based on their performance both on the field and in the classroom. Congratulations Amanda!

Stephen Sedensky '76 led a decades-long career in criminal justice with unwavering commitment and fervor. Upon graduating from Notre Dame High School, Stephen attended Plymouth State College (now Plymouth State University) in Plymouth, NH, where he majored in business administration with an accounting concentration. After receiving his bachelor's degree, Stephen went on to attend Suffolk University Law School in Boston, MA. As a graduate student at Suffolk, Stephen interned for the State's Attorney Office in Bridgeport and decided to pursue a career in prosecution.

In 1984, Stephen was sworn in as the Deputy Assistant State's Attorney in Bridgeport. While there, he developed an interest in prosecuting child abuse cases, and in 1989, transferred to the Par A courthouse to work on major felony cases. In 1996, Stephen took a year long sabbatical to work for the National District Attorney Association before returning to the State's Attorney's Office in 1997.

Later in his career, Stephen transferred to the Office of the Chief State's Attorney to work as a supervisor for the Statewide Prosecution Bureau. It was here that Stephen helped bring the national child abuse program, Finding Words, to the state of Connecticut. In 2004, Stephen transferred to the Danbury State's Attorney's Office, and in 2007, became the State's Attorney for the Danbury Judicial District. Stephen retired earlier this year, and now works as a Special Assistant State's Attorney in Danbury.

In 2015, Stephen was honored with the Community Impact Award at the annual Lancer Legacy Gala. After an accomplished career of helping others, it was only fitting for Stephen to receive an award that embodies character, faith and intellect. Thank you, Stephen!
