**SCHOOL INTERNAL COMMUNITY (STAFF, ADMINISTRATION, ALUMNI, FAMILIES)**

**Open Your Heart & Home to an International Notre Dame High Student!**

**VIRTUAL HOME VISITS NOW BEING CONDUCTED**

AIEP (Apex International Education Partners) is seeking host families now for international students who will attend our school in the 2021-2022 school year..

AIEP is our partnered professional outside organization that specializes in guardianship and homestay programs for international students. As a host family, you will offer an international student the opportunity to discover America through your eyes. Your family will not only gain a new family member, but will also learn about a different culture, its values and tradition, language, food and more.

A generous monthly stipend is offered by AIEP for your hospitality. All students have their own spending money, insurance, sufficient English-speaking skills, and a strong support system from the AIEP staff. Our students are hoping to become part of your family when deemed safe to do so.

If you are interested in learning more about becoming an AIEP host family, contact AIEP at 203.992.AIEP or visit [www.aiepusa.com](http://www.aiepusa.com). Virtual home visits are also being conducted for interested host families in preparation for students arriving in August. Don't miss this unique and exciting opportunity to learn about a new culture and make a difference in a student's life!
