Pampered Chef by Christina Holms

I am Christina Holms, Director with Pampered Chef where I started as a consultant in January 2020. I am the mom of 2 teenage sons and wife of a wonderful husband. Food has always been important to me and in fact, I even hold a B.S. in Nutrition Science. I love parties and having fun with family and friends. I started my business because I needed a bit of stress relief and you know what? **IT WORKED!!**

I look forward to celebrating the holidays this year, more than ever. I am positively thrilled to be part of this virtual vendor boutique to support Notre Dame. If you would like a copy of the virtual catalog, please send me a message. I can't wait to help you get your own kitchen set up for a successful holiday season and also help you start your gift shopping!

Enriching lives one meal, one memory at a time
