The Notre Dame community gathered for a prayer service to remember those who have served in the armed forces. Students read the names of over 300 alumni and members of the extended Notre Dame family at the service - including six graduates who died in combat.

Through the NSBE, Jamal can participate in workshops and compete in objective-driven competitions. This January, his skills will be put to the test when he constructs a 4 to 5 foot tall robot!

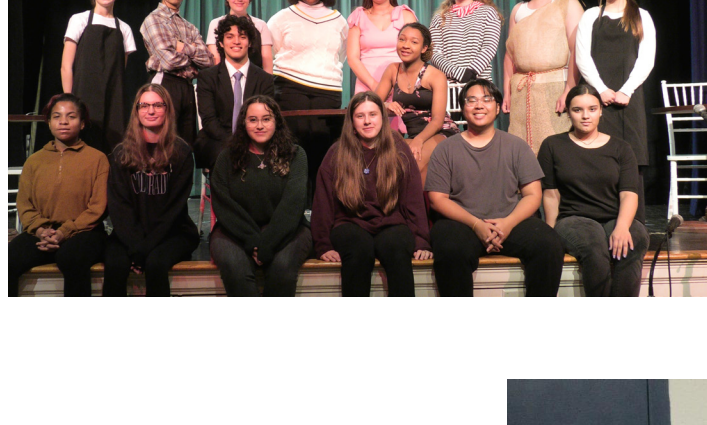

Members of the ND Key Club assisted the Fairfield Kiwanis Club by helping to put up the American flags for their Field of Valor. Each flag represented a past or current member of the military.
