

always a LANCER

One of our last **Always a Lancer** projects for the school year was a contribution to Prospect House Shelter in Bridgeport, CT. Thank you to the donors from our Always a Lancer Fund that made the delivery possible!
#LancersDoingGood

Name That Tune drew the largest crowd yet for our Family Game Night with over 45 participants, including parents, staff, students, and alumni from around the country. The competition was fierce, but laughter filled our night.

We have a winner! A very special thank you to everyone who participated in our annual \$15,000 Tuition Raffle. Congratulations to our winner, **Onofrio Patafio, P'24** (ticket #237), whose son Nicholas will be a freshman at ND in the fall. The raffle drawing, originally scheduled to take place at the Lancer Legacy Gala in March, was postponed due to Covid-19. Despite the delay, 346 tickets were sold and a record **\$20,500** was raised for Notre Dame's students!

Alumni Relations is creating a **Notre Dame Business Directory** to offer our families an opportunity to support each other in business and professional endeavors. The strength of Notre Dame has always been driven by our strong and vibrant community. Especially during this time, we want to give our community the chance to work with ND family-owned businesses. Information submitted will be shared on our website in the upcoming weeks. The listing is FREE for ND alumni, alumni parents, and current families. Submit your [information here](#) to be included. Contact tmarzik@notredame.org with questions.

Summer is officially here, but Always a Lancer will continue to offer opportunities for our community to connect, have some fun and do good in the world. Keep your eyes open for upcoming communications from the team. In the meantime, thank you to everyone who has joined us these past several months. Enjoy some summer sunshine Lancers!
