

IN THE CLASSROOM

Following the French tradition of All Saints' and All Souls' Days, the ND French Department honored deceased ND teachers as well as Fr. Bill Sangiovanni with the annual Laying of the Mums ceremony on Monday, 7 November 2022.

Each teacher was eulogized and prayers were offered in French by Father Balan and all attendees. A chrysanthemum was placed at the foot of each memorial tree.

Special MERCIs to Father Balan and all participants.

We are not quite ready for the colder weather! Students in the Sculpture Studio finished up their beautiful and intricate flower sculptures! Each flower is complete with a little detailed "critter". The craft and details of their pieces are outstanding. Again - bravo to the ND Art students!

Congratulations to all of our honor roll students! Students were treated to an honors breakfast in celebration of their academic achievements. To view the complete list of names for the first marking period, click [HERE](#).

The Dance Intro class is working on a hip hop piece for their upcoming show in December. Students are focusing on timing, synchronization and performance.

This particular dance highlights the importance of working as a team while also discovering and demonstrating individual strengths. Keep up the good work!

Students in Mrs. Almeida's Biology classes recently completed research and created projects on the Human Body Systems including the cardiovascular system. They then devised experimental plans, collected data, and discovered the effects of exercise on heart rate.

For the first time since 2019, the junior class traveled to Boston for their class trip. The juniors enjoyed lunch at Quincy Market before taking a Duck Boat Tour of the city and heading off to the Great Wolf Lodge for the night.

Mr. Skawinski's US History classes put their constitutional detective skills to the test!

Students worked in small groups to locate specific powers and rights that are granted by the Constitution. For example, did you know that Congress, and not the president, has the right to declare war? Students examining the document would tell you this can be found under Article 1, Section 8, Clause 11.

In today's world, preparing our Lancers to be more knowledgeable and aware citizens is a top priority!
