Our Mission Statement: We are committed to providing a diverse technical and artistic education that encourages excellence, builds confidences and instills a lifelong passion for dance and the performing arts.

Caring Family Friendly Environment: We at 24/7 have a dedicated office staff to help answer any questions you may have. We are here to assist with proper registration, set up financials, and provide you with the best customer service available.

24/7 provides the most qualified, professional instructors with a true passion for the arts to teach all our programs, from the youth & beginning levels to the teen & most advanced levels.

Nurturing Each Student To Be Their Best: 24/7 starts with a solid foundation of building technique, and develops each year with both technical and artistic education. We ensure this through the use of structured technique classes and bi-yearly evaluations based on uniform class syllabi. Our class syllabus, developed by our experienced staff, allows us to make sure each child is being taught the same progression of skills at the appropriate level. Specific skills must be mastered before advancing to the next level in order to safely build healthy habits, and our advanced dancers consistently push their limits and inspire progressiveness.

2

We Teach More Than Dance: 24/7 provides studios with a safe and nurturing atmosphere, where students will learn proper dance and performing arts etiquette, respect, discipline, hard work and perseverance from caring instructors who have worked professionally in the business and understand the environment. Whether you are a student who takes one class a week or ten classes a week, we strive to maintain an exciting and positive atmosphere and increase your love of the arts.

24/7 provides our students with performance opportunities within the community and through the studio's annual recital. These presentations are enjoyable for the whole family and give our students a sense of accomplishment and unity with one another. Our performances encourage self-confidence and showmanship, and life skills essential to future communication with peers and employers.

Our goal at 24/7 is to provide each student with the tools required to achieve success in any path. Whether that path is auditioning for college, performing on Broadway, being in a professional dance company, or becoming an educator, we will guide all students to help pursue their dreams and always instill a lifelong appreciation for the arts.
