Airborne Gymnastics Spotting Waiver

SPOTTING WAIVER DUE TO COVID-19: I am aware that while gymnastics and tumbling activities are individual sports, there will be times when incidental contact will occur. Airborne Gymnastics programs are operating in a social and physical distancing environment but even with best efforts and intentions, there will be times the prescribed (6') distancing recommendation will be breached for the safety of your children. In addition, our teaching and coaching staff will spot (physically assist) when the circumstances require it. Spotting our students and athletes is often necessary in order to teach skills safely, to help students and athletes perform skills correctly, and to prevent injury. I understand and agree that spotting will be part of the learning process at Airborne Gymnastics and I agree to permit my child's teacher and/or coach to physically assist my child when needed. Direct assistance will also be provided in the event of an injury.
