

## **IRIS/Family Care Learning Circle**

*"The world doesn't really change one person at a time. It changes when networks of relationships form among people who share a common cause and vision of what's possible."*

Margaret Wheatley

The Dane County Arc and LOV-Dane invite all individuals, families and their friends to participate in an IRIS/Family Care Learning Circle. The Circle will meet monthly, will be led by families, and will include Lynn Breedlove and Dennis Harkins among its friends.

The IRIS/Family Care Learning Circle will not be a training event. It will instead offer a place and a process within which people can learn together, using and sharing their own ideas and experiences. From these gatherings we believe people who choose to receive support and services through IRIS or Family Care will learn from one another, will create or strengthen connections with one another, will engage in problem-solving, and will continue the tradition of grassroots innovation which has long characterized our work together within Dane County.

RSVP required.
