Fishing has no boundaries®

**EVENT DATES: JULY 13 & 14, 2019
GOVERNOR NELSON STATE PARK**

Dear Friend,

Enclosed please find the application for the 2019 Madison Chapter Fishing Has No Boundaries weekend. Many of you have fished with us in the past. We enjoyed your participation and would love to have you join us again! The event will be held at Governor Nelson State Park, located on the north shore of Lake Mendota on July 13 & 14. Some of the area's finest fishing guides will be on hand to locate fishing hot spots.

Many individuals and companies donate time and products for the participants attending this event. Over 300 volunteers will be working to make this an enjoyable weekend for you. Goodie bags will include a T-shirt and hat. As always there will be awards for the various fishing categories.

Please fill out the enclosed registration form and send it to:

JANE WENDRICKS, 607 SAMUEL DRIVE, MADISON, WI 53717

Applications with fees are taken on a first come first served basis. We limit the number of participants to 100 and a limited number of scholarships are available. If you need a scholarship please include a request with your application. If you need a personal attendant with you for the day you must bring someone that knows your special needs. The cost for this person is covered by your \$65.00 participant fee. **Because the number of boats is limited we will usually only have space for one attendant per participant.** A schedule of events is printed on the back of this letter.

If you have registration questions please call Jane Wendricks (608) 833-1281. You will receive a confirmation with additional information after acceptance of your registration. We look forward to fishing with you in 2019.

Sincerely,

Jane Wendricks, Participant Registration
