

The Wisconsin Department of Health Services (DHS) is presenting informational meetings about Family Care and IRIS in Dane County for individuals receiving long term support services, their families, and guardians. Please see below for information.

- If you choose Family Care, the Managed Care Organizations (MCOs) that will serve Dane County are [Care Wisconsin](#), and [MyChoice](#) (click on the names to go to their websites)
- If you choose Partnership, the Managed Care Organizations (MCOs) that will serve Dane County are [Care Wisconsin](#) and [ICare](#) (click on the names to go to their websites)
- If you choose IRIS, the IRIS Consulting Agencies (ICAs) that will serve Dane County are [Advocates4U](#); [Connections](#); [First Person Care Consultants](#); [Progressive Community Services](#), which currently provides broker services in Dane County and was recently certified to be an ICA; the PCS website is not updated yet; and [TMG](#). (click on the names to go to their websites)
- Current DHS policy is that representatives from the MCO's or ICA's that will serve Dane County **will not** be allowed to speak/present at these informational meetings for individuals, parents, and guardians.
- Also, please note: no evening meetings are scheduled; Rosh Hashanah begins at sunset on Wednesday, September 20; and the Saturday session location is not on a busline.
