Who is The Arc-Dane County?

The Arc-Dane County is an advocacy organization. We work with individuals with intellectual and developmental disabilities, their families, and their service providers. For over 65 years our mission has been to insure that all children and adults with intellectual and developmental disabilities and their families have the same opportunities, choices, rights, and respect due to all people in our community.

What does The Arc-Dane County do?

- ◆ Presents this annual Golf Tourney. This is The Arc's major fund raising event of the year. This event makes the other services possible.
- ◆ Provides advocacy on programs and services that affect people with disabilities and their families.
- ◆ Provides training and workshops on the services, programs, and laws affecting people with disabilities and their families.
- ◆ Provides testimony at County Board budget hearings to educate County Board Supervisors on the importance of community services and the programs they fund.
- ◆ Participates on Dane County's Long-Term Support Committee, and Aging & Disability Resource Center Board for the elderly and people with disabilities.
- ◆ Sponsors the annual Community Awards Banquet. Awards are presented to outstanding employers and volunteers in Dane County.
- ◆ Sponsors 3 annual social events for people with intellectual and developmental disabilities: the Halloween Party, and the Spring and Winter Balls.
