

## **TCCE Board of Directors Holds 2020 Planning Session**

The TCCE Board of Directors was hard at work for a full day October 17, setting a strategic path and planning the work of TCCE for 2020. Led by 2020 Chairman, Cindy DeWease, IOM of the Clear Lake Area Chamber, the board reviewed the needs and desires for education in the chamber community and developed strategies to address them.

Plans are being finalized for conference events and seminar training, new resources for the association members and focused energy on delivering more content and information online for TCCE members.
