The Conservative Synagogue of Fifth Avenue is pleased to honor Leeor Sabbah at this year's annual Gala Garden Reception. A pillar of our community, Leeor has served our synagogue as a member and Vice President of our Board of Trustees, as well as chair of the Religious Life Committee, member of the Rabbi Search Committee, member of the Food Committee and one of the original Maj Jongg ladies.

Leeor grew up in Great Neck, New York surrounded by the love of her parents, Zmira and Chico Sabbah, her grandparents and extended family. Every Friday night the entire family gathered at her grandparents' house for Shabbat dinner. The daughter of an American who made aliyah and a native Israeli sabra, Leeor's commitment to Judaism and Israel has been a foundation of her entire life.

Armed with a B.S., summa cum laude, in Education from Boston University and an M.A. from Northwestern in Communication, Leeor was well prepared to assume the position of Chair of the Board of the American Hebrew Academy, an elite and unique international Jewish boarding high school. Her skills as an educator, communicator, and marketing & development consultant merged with a passion and pride in our heritage and a deep love of Israel in service to the school.

An artist's advocate and marketing consultant, Leeor has served on the boards of the American Craft Museum (now the Museum of Arts and Design) and Urban Glass in New York.

Leeor came to CSFA in 2006 after her father's passing and found a home among its intimate membership, joining the Board soon thereafter. In addition to support of our shul, Leeor is committed to the Israel Guide Dog Center for the Blind, Israel Elwyn, and Hadassah, especially to Jewish youth through its Young Judaea programs both in the US and in Israel.
