## WHO WE ARE

- Boundless Health is the newest addition to the Boundless family – created specifically to meet the primary and preventative healthcare needs of individuals and families with intellectual and developmental disabilities (I/DD) and behavioral health challenges.
- We also serve the general community.

## WHAT DO WE DO?

- We offer a continuum of services and strive to support patients and families when and where traditional providers cannot.
- Services are available on a sliding fee scale and all major insurance types are accepted including Medicaid.
- We understand the unique challenges our patients experience in accessing necessary care. We provide coordinated services in a safe, welcoming space to accommodate their individualized needs.
