

2019 Men's Health Screening

Get In The Game! Know Your Scores

Saturday, September 7
8 a.m. - Noon

Lincoln Community Health Center
1301 Fayetteville Street
Durham, NC 27707

Sunday, September 8
Noon - 4 p.m.

Duke Primary Care Croasdaile
1821 Hillandale Road, Suite 24B
Durham, NC 27705

Prostate cancer is one of the leading causes of death in men. When caught early, it is almost always treatable. Please come and get your FREE onsite health screenings including:

- Prostate cancer screening
- Colon cancer screening
- Blood pressure checks
- Diabetes testing
- Hepatitis C and HIV testing
- Tobacco cessation counseling, including vaping
- Other screenings such as skin cancer, lung cancer risk assessments, and radon education will be available depending on the location

You are welcome to complete as many screenings as you choose.
