

Refuel, Relax, and Save at the Adriatic's Premier Marina

We're welcoming the new year with some exciting news for 2025!

With the reintroduction of duty-free fuel in Montenegro, our marina reaffirms its status as a premier Mediterranean yachting destination. This new regulation, taking effect from January 2025, is set to bring significant cost savings to yacht owners and operators while restoring Porto Montenegro's former glory as the Adriatic's refuelling hub and destination of choice.

What does this mean for you?

Whether you're a Broker, Captain, or Leaseholder, this change is set to bring a wealth of advantages to our entire community. With duty-free fuel reducing operational costs, this change reinforces Porto Montenegro's appeal as a premier yachting destination.

Beyond secure berthing and world-class provisioning, it enhances investment potential for berth holders and yacht owners while ensuring seamless yacht management.

More than just a place to dock, our marina provides an environment where owners, crew, and industry professionals can connect, creating opportunities for both business and leisure within a dynamic and well-supported yachting hub.

Adriatic 42 Shipyard

Our nearby Adriatic 42 Shipyard provides yacht maintenance and servicing for vessels of all sizes, positioning our destination as an attractive Mediterranean stopover. As a full-service superyacht refit and repair facility, the shipyard is located just a short sail from Porto Montenegro's marina, offering convenience and peace of mind for charters, owners, captains, and crew.

Changes to our policy

To ensure compliance with local regulations, certain requirements must be met to qualify for duty-free fuel:

Mandatory Agent involvement (does not apply to duty-paid fuel)

Submission of all relevant documentation to be arranged by the Agent

Minimum vessel stay is 72 hours in Montenegro after the date of arrival

Completion of a Duty-Free Fuel purchase request form 72 hours in advance

Confirmation of booking 24 hours prior to arrival

Payment of a fuel dock usage fee (in addition to fuel*)
